

*Thank you so much to Croasdaile Village for sponsoring Flourishing Muse Spring Soiree. Students have a wonderful opportunity to play for their friends and families in a concert environment.*

*To all the students and families, thank you so much for choosing to learn music with Flourishing Muse and I hope everyone has a wonderful fun summer.*

*The cover artwork is again courtesy of my granddaughter Lakota Delaney, age 7. She lives in Fremantle, WA Australia, and is a very good artist. She learns piano now and has advanced to the G hand position as you can see!*
