

Flourishing Muse Holiday Matinee 2020

Welcome to the Holiday Matinee. This will be our second virtual recital in 2020 and again I am overwhelmed by the students and families who have continued to learn music online with me. These are difficult times in our lives but I hope that music has possibly filled a need for a creative outlet. One of my students told me she practiced for two hours yesterday and enjoyed it. Another told me he loves to play his pieces because it makes him feel “better”.

This Holiday Matinee is again a family affair . After my daughter Rose hosted and organised my first virtual event, I thought “I can do this myself” but Rose was more than willing to do it again and so were her team - lucky me! Rose is not only a senior event manager but she teaches event management which this year has included how to do virtual events. I am learning! Sarah is again doing the program and Debbie is going to be Rose’e assistant during the concert. Thank you so much all of you!

I do not know what 2021 holds but I hope to continue to teach music, probably online for the Spring but one day I really want to see my students in my studio! You are missing the lovely garden in its Fall colors and my sunny waiting room, and being able to play and sing live with me.
